The mission of Dr. J.A. Garcia Elementary is to help students acquire the knowledge to master the Academic Standards necessary to become responsible members of society. They will be equipped with the life skills necessary for problem solving. It is our belief that all children can learn and their performance will improve as a result of our cooperative efforts to support his compact. This is a three-way partnership with a specific goal (improved student achievement). It is imperative that each person assumes his or her responsibility.

As a teacher, I, _____, will strive to:

- Continuously seek ways to involve parents, and maintain open lines of communication with students and parents.

- Attend and participate in parent/guardian conferences.
- Sign and return all papers that require parent/guardian signatures.
- Make sure my child (ren) adheres to the dress code rules.
- Make sure his\her homework is complete.

As a student, I, _____, will strive to:
